To whom it may concern:

John Absalom set an appointment with me to talk about my marketing early last year. Since then, he has shown himself to be a great asset for advertising and promoting our business. Quite simple: **HIS CREATIVE IDEAS HAVE INCREASED MY PROFITS!** John is a full service representative who is fun to work with. He cares about the long term growth of my business, and I absolutely recommend him to any business owner who wants to make advertising work. Give me a call if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Bruce Bowman".
